**SPECIALTY:** San Marino Psychiatric Associates specializes in mental health management in the San Gabriel Valley. Our services also include chemical dependency evaluation and treatment.

SMPA provides excellent care to patients of all ages through a highly trained staff and network of providers. Our team is board certified in child/adolescent, adult and addiction psychiatry.

San Marino Psychiatric Associates was founded in 1980 by Drs. Frank Minero and Berry McCord. We have nine psychiatrists and two therapists

on board making us one of the largest clinician-owned direct providers of behavioral health care services in the San Gabriel Valley. Many of our psychiatrists are on faculty at USC and UCLA. Dr. Pylko has been featured in Los Angeles Magazine's Super Doctors Issue as one of the top psychiatrists in Los Angeles.

San Marino Psychiatric Associates' views mental illness as a bio-psychosocial-spiritual phenomenon that can best be evaluated and treated through a multi-disciplinary, community-oriented approach. We stress the importance of treating the whole person.
